Targeting 101: A Beginner's Guide to Segmentation 4 common misconceptions about tags and segments, and how to start using them for smarter marketing. If you ' ve been avoiding segmentation as a ' someday ' item on your to-do list, you ' re certainly not alone. We often hear from customers that segmentation is the area in which they need the most help.

### Targeting 101: A Beginner ' s Guide to Segmentation

Geo-targeted campaigns can reach people who may or may not be on your list and can be launched within a day or two. The cost to mail a letter to 1,000 people including printing, handling and postage could be around 1,000 x \$0.60 = \$600 for one exposure versus \$500 to deliver 10 ad exposures to that person's phone in the example above.
