AIDS and Power: Why there is no Political Crisis - Yet ...

One in six adults in sub-Saharan Africa will die in their prime of AIDS. It is a stunning cataclysm, plunging life expectancy to pre-modern levels and orphaning millions of children. Yet political trauma does not grip Africa. People living with AIDS are not rioting in the streets or overthrowing ...

AIDS and Power: Why there is no political crisis - yet by ...

AIDS and Power explains why social and political life in Africa goes on in a remarkably normal way, and how political leaders have successfully managed the AIDS epidemic so as to overcome any threats to their power. Partly because of pervasive denial, AIDS is not a political priority for electorates, and therefore not for democratic leaders either.

AIDS and Power - ZED Books

AIDS and Power explains why social and political life in Africa goes on in a remarkably normal way, and how political leaders have successfully managed the AIDS epidemic so as to overcome any threats to their power.
