In a rural area in South Sudan, there lived two communities who lived side-by-side in two different villages. The two communities shared a lot of similarities in terms of herding, farming, fishing and even hunting. However, there were also a few differences distinguishing how each community would go about certain things.

Despite the discrepancies in the tale of her life, one thing is certain, over a 34-year period, her many conquests and subsequent annexation of the territories conquered extended the borders of Zaria, which also grew in importance as a result and which became the center of the North-South Saharan trade and the East-West Sudan trade.

Legends of Africa - Wikipedia
In 2011, he served as the South Sudan's first ambassador to the United Nations. He has authored and edited 40 books in the fields of law, conflict resolution, internal displacement, human rights, anthropology, folklore, history and politics and has also written two novels on the theme of the crisis of national identity in the Sudan.

Francis Deng - Wikipedia
"I love the way folktale and fantasy tap into the roots of story telling. The paradox, for me, is that by moving a story into the fantastic we can actually bring it closer to the reader, not move it further away. It is more than an escape.
