In Meat We Trust is an interesting, evenhanded and thought provoking history, one that traces the story of farmers, industrialists, grocery stores, chicken nuggets and above all, the American public. It provides plenty of food for thought, which, at the end of the day, is what as a nation have largely demanded already." —io9.com

In Meat We Trust : NPR

The moment European settlers arrived in North America, they began transforming the land into a meat-eater's paradise. Long before revolution turned colonies into nation, Americans were eating meat on a scale the old world could neither imagine nor provide: an average European was lucky to see meat once a week, while even a poor American man put away about two hundred pounds a year.

IN MEAT WE TRUST — Maureen Ogle

One of the great assets of "In Meat We Trust" is how it provides historical context for what Ogle calls the "battles over the production and consumption of meat" that are "nearly as ferocious as...
