James Madison and the Future of Limited Government ...

For Future Possible: Imagining Madison, we invited a group of artists, architects, and designers who know and love the city to envision it 75 years from now. Why 75 years? The accelerating rate of technological, social, and environmental change greatly complicates any vision of the world beyond the next ten to twenty years.

Future Possible: Imagining Madison | wisconsinacademy.org

Madison believed Christianity to be the foundation upon which a just government must be built. Writing on June 20, 1785, he stated: Religion [is] the basis and Foundation of Government. Madison expounds further: We have staked the whole future of American civilization, not upon the power of government, far from it.

One Nation Under God: James Madison

I've run across this quote, attributed to James Madison, on some religious sites: "We have staked the whole future of American civilization not on the power of government, far from it. We have staked the future of all of our political institutions upon the capacity of each and all of us to govern ourselves

James Madison "Ten Commandments" Quote : History ...

FRISCO, Texas – A win Saturday for James Madison would at least change the recent snapshot of the FCS and would further bolster athletic director Jeff Bourne's aspirations. The Dukes would have two national championships in the last four years – the same number of titles in that span as their opponent, North Dakota State, the perennial contenders and class of the subdivision.
