Paper Cutting Fundamentals: How to Cut Tricky Letters

Cut the edges of your letters to get them started. Once you know which letters you'd like to cut out, start out with the ones that only use straight lines, like E, N, and A. Cut off the sides of the paper in straight lines to start making the shapes of your letters. For example, if you are cutting an A, make 2 diagonal cuts on either side of the rectangle to make the basic shape.
