Product Manual Appeon For PB - PowerBuilder

Greetings All, The help files included with the PB 11 PFC download allude to the existence of a PFC User Guide as well as a PFC Object Reference. The posts I have seen in this forum suggest that they have not been updated in a while but that they should work fine. I did not find them in my downloaded files.

Ok, I am an absolute beginner in powerbuilder. Currently I am working in a company where powerbuilder is being used to develop an application. This application heavily uses PFC. Now I had no prior powerbuilder training when I joined this company, but I learned a few things while working in this application, e.g., datawindow, powerscript etc.
