If you have a sports watch, you will find different operation instructions than dress watches. Features you are likely to find on a sports watch include digital display, water resistance, alarms, timers and a backlight. Some examples of manufacturers that produce sports watches include Timex, Casio and Coleman.

Instructions for Sports Watches | Livestrong.com

If your watch is especially complicated and you don't have instructions, look up a digital manual online. Digital manuals can be found with an online keyword search for your watch brand and model. If a digital manual is impossible to find, look up and call the customer service number for your watch.

How to Set a Digital Watch: 9 Steps (with Pictures) - wikiHow

But setting them isn't as easy as newer models that just call for a swipe or a tap, and instructions vary by style and brand. Most recent models can be set with buttons to the left and right of the watch face, but vintage models might require you to look into the back of the watch bracelet—and at an instruction manual. Step 1: ...
