OHFB is a free Kindle book website that gathers all the free Kindle books from Amazon and gives you some excellent search features so you can easily find your next great read.

Signals And Systems 2nd Edition

I bought the international edition and it is a great buy considering that it is almost exactly the same as the standard one (some end of chapter problems are different) but at a fraction of the price. If you couple this book with the lecture videos of Oppenheim himself, then you are going to learn a lot about signals and systems, highly ...
