A moron perhaps. But definitely not obsessed. If the zygote is the beginning of life, how does one account for mono zygote twins when neither has a life of its own. Wonder what Carson would say. How about when life ends? Cessation of brain function is a usual definition. And brain development is not until at least 24 weeks.

In my opinion, Ben Carson would make a good president! Carli, Rubio and Cruz also did well last night in the debate. Kasich, in my opinion, didn't do himself much good. Bush did nothing to encourage me to vote for him. (Bush is a nice guy but there's something about him that makes me think he's too timid.) I've never been a fan of Ron Paul.
